## INDEX

1           BY MS. WHISENANT:

2           Hello.

3           BY MR. WHISENANT:

4           Hello.

5           BY MS. WHISENANT:

6           Hey, how you doing?

7           BY MR. WHISENANT:

8           I'm doing. I don't have a lot of time.

9           They're going to be moving me to the block  
10           now. You already talked to the lawyer?

11           BY MS. WHISENANT:

12           Yes, I spoke with her. I tried to -- I'm  
13           going to have to go to the bank. I can't get  
14           your email. Nothing's coming. When the bank  
15           says they're sending something I can't get to  
16           it, so I don't know what's going on.

17           BY MR. WHISENANT:

18           It could ---

19           BY MS. WHISENANT:

20           Huh?

21           BY MR. WHISENANT:

22           It could go to junk.

23           BY MS. WHISENANT:

24           I don't know.

25           BY MR. WHISENANT:

1                   Did you get the information about the truck?

2                   BY MS. WHISENANT:

3                   Yes, I talked -- yes, and where the truck is.

4                   I'm trying to find a way to get it home, so

5                   (pause) ---

6                   BY MR. WHISENANT:

7                   Okay. It looks pretty bad. Go ahead and sell  
8                   everything. Okay?

9                   BY MS. WHISENANT:

10                  What do you mean it looks pretty bad?

11                  BY MR. WHISENANT:

12                  It just -- it -- I don't know what they told  
13                  you but it looks like it's going to be pretty  
14                  bad. Just how bad I don't know. So go ahead  
15                  and pretty much sell everything. And remember  
16                  what I told you to do if something ever  
17                  happens to me?

18                  BY MS. WHISENANT:

19                  Give Curtis the computer.

20                  BY MR. WHISENANT:

21                  Uh-huh (Affirmative).

22                  BY MS. WHISENANT:

23                  Yeah. I'm not doing anything until we see  
24                  what's happening next Monday.

25                  BY MR. WHISENANT:

1           Okay. Oh, and I have a tentative visitation  
2           for you and Carlos here Saturday about four  
3           o'clock.

4           BY MS. WHISENANT:

5           Down there?

6           BY MR. WHISENANT:

7           Yes.

8           BY MS. WHISENANT:

9           You know I can't get there, son.

10           BY MR. WHISENANT:

11           I -- they just said make something or there's  
12           no possibility.

13           BY MS. WHISENANT:

14           Okay. Well, Carlos is still injured from that  
15           car accident and he's not feeling very good,  
16           so (pause) ---

17           BY MR. WHISENANT:

18           I didn't know that he got into a car accident.

19           BY MS. WHISENANT:

20           Yeah.

21           BY MR. WHISENANT:

22           It seems that the text messages you had to  
23           send -- you were sending me have to -- have to  
24           be approved before I get them.

25           BY MS. WHISENANT:

1                   Oh, okay. I didn't know.

2                   BY MR. WHISENANT:

3                   So ---

4                   BY MS. WHISENANT:

5                   But anyway, we got ahold -- we got ahold of  
6                   the cat guy ---

7                   BY MR. WHISENANT:

8                   Okay.

9                   BY MS. WHISENANT:

10                   --- and he's -- he will be texting you a  
11                   couple of times to confirm, just as a  
12                   protection for you, too, that you're not going  
13                   to get the cats because you're not answering  
14                   his texts, so (pause) ---

15                   BY MR. WHISENANT:

16                   Okay.

17                   BY MS. WHISENANT:

18                   But he knows why you're not answering his  
19                   texts.

20                   BY MR. WHISENANT:

21                   Okay.

22                   BY MS. WHISENANT:

23                   So what -- you want me to sell the house and  
24                   the horses?

25                   BY MR. WHISENANT:

1           No, sell my stuff. The ATV, the trailer, the  
2           guns. And -- and talk to the lawyer about  
3           getting me a power of ---

4           (INTERRUPTION BY TERMINATION WARNING)

5           BY MS. WHISENANT:

6           Getting what?

7           BY MR. WHISENANT:

8           Get the lawyer to set up a power of attorney  
9           for me to give to you.

10           BY MS. WHISENANT:

11           Okay. You talk to her, have her do that.

12           BY MR. WHISENANT:

13           Yeah, I did but at that time it just totally  
14           skipped my mind and I don't know when I'm  
15           going to talk to her again. You can call her  
16           and let her know.

17           BY MS. WHISENANT:

18           Okay. Um, yeah, okay, I will do that. But  
19           don't jump through any hoops.

20           BY MR. WHISENANT:

21           But please text me Carlos' number, and do me  
22           the biggest favor.

23           BY MS. WHISENANT:

24           Strip your computer? I hate that ---

25           BY MR. WHISENANT:

1                   The biggest favor I need you to do is stay  
2                   strong for me. You're my rock.

3                   BY MS. WHISENANT:

4                   You are mine.

5                   (INTERRUPTION BY TERMINATION WARNING)

6                   BY MS. WHISENANT:

7                   I love you.

8                   BY MR. WHISENANT:

9                   I know I was yours and I was stupid. Very  
10                   stupid. But please be my rock.

11                   BY MS. WHISENANT:

12                   Okay. I will -- you just need me to email you  
13                   Carlos' phone number?

14                   BY MR. WHISENANT:

15                   Yes, ma'am.

16                   BY MS. WHISENANT:

17                   All right.

18                   BY MR. WHISENANT:

19                   I love you, mom.

20                   BY MS. WHISENANT:

21                   I love you, too, son. Bye-bye.

22                   BY MR. WHISENANT:

23                   Bye.
